

OCTOBER 7TH-9TH, MAYO CIVIC CENTER

GENERAL DETAILS REGARDING VENDOR & ARTIST REGISTRATION

Thank you for choosing NerdinOut Con as a possible spot on your 2022 tour. We pride ourselves on offering a professional show with plenty of selling opportunity for our participating vendors. Due to this, we have a different process and rules than other shows. Please read the following rules and details before applying. Links to the applications will be further down.

Application & Selection Process

NerdinOut Con uses an application process in choosing our vendors and artists for the year, rather than accepting on a first come-first serve basis. We wish to offer spaces with a variety of different merchandise to our attendees, which in turn offers a better selling chance for everyone. **Sending in the application does not guarantee you a space!**

Payment

If accepted, we will send you your paperwork and an invoice for your payment to the e-mail you list on your application. Payment is done through check or online payment through PayPal to the event company only never with cash or checks made personally to a member of staff. Once you have been accepted and deposit payment has been processed, your space will be reserved for the event. A 50% minimum payment is required in order to reserve your space.

Cancellation Policy

The following is the return/refund policy for our booth spaces:

- Cancelling prior to June 31st, 2022: 50% of payment returned.
